# MAU OYAMBA 4

Ndithu kutamandidwa konse ndi kwa Allah bwana wazolengwedwa zonse, ndipo madalitso ndi mtendere zipite kwa wolemekezeka wa aneneri onse wa pamwamba ndi wopambana wa atumiki onse, mneneri wathu Muhammad, ndi omutsatira onse.

Pambuyo pa kutero:-

Nditthu zaka zoyambilira za umwana zili ndi ubwino wa ukulu pokonza m'mene mwana azionera chilengedwe, chifukwa chithunzi thunzi chomwe chimadzalidwa mu nzeru za mwana mu nyengo imeneyi, chimatengedwa ngati mwala wa maziko womwe umakonza umunthu wa mwanayo kumbali zake zonse (zosiyana siyana) ndipo umafunikira (mwalawo) kuti uziyendera limodzi ndi zofunikira za mwanayo zokhudza umoyo, chikhalidwe ndi chipembedzo, zomwe zingamuthandize mwanayo kuti ayambe mwa mphamvu ulendo wake wolowa mu zipsinjo ndi mikwingwirima ya umoyo (mavuto) ndi kudutsamo molongosoka ali munthu waphindu komanso wothonhandiza kudzera mu zimene akumazimva ndi kuziona, amakonzanso chitsanzo chake chake chadzikoli, kotsala kwa moyo wakeko pambuyo pa zimenezi kumangokhala kukonza kapena kuititsa pat-sogolo chithunzi thunzi chake choyambilira chija potengera nyengo zimene akudutsana nazo.

Mu nyengo imeneyi mwana amadalira makolo ake ngati njira yodziwira zinthu, chifukwa kulongosoka kwa ana kumachokera mu kulongosoka kwa chikhalidwe cha makolo, iwo ndi amene ali ndi udindo wophunzitsa ana awo. Pa chifukwa chimenechi, adalankhula mtumiki (saw) kunena kuti "**aliyense mwa inu ndi muyang'aniri ndipo aliyense mwa inu ali ndi udindo pa chomwe akuyang'anira**"(muslim). Moti chilamulo chimenechi chikukakamiza kuyikira mtima ndi kulimbikira pa maphunziro ndi kuphunzitsa.

Poona kuti ife tili mu nyengo yomwe yadzadzana ndi zilako lako ndi zisokonezo: kunali kofunikira kwambiri kuti makolo alimbikire kuphunzitsa ana (kulimbikira kwake) kodzadzidwa ndi chilungamo, chidwi komanso kupereka mpata wokwanira (kwa ophunzirawo),

chifukwa kutheka njere imene makolo angayidzale mmitima ya ana itha kubala ntchito yopitilira kwa makolo akadzachoka moyo uno (akadzamwalira), nakhala mwana uja ntchito yopitilira ya makolo pambuyo pa ifa ya makolowo (sadaqah jaariyah), ngati m'mene adanenera mtumiki (saw) - pamene amatchula zinthu zomwe zimakhala zikumuthandizabe munthu ngakhale atamwalira - kunena kuti "**kapena mwana wabwino yemwe amawapemphera zabwino makolo ake**".(Muslim)

Ana ndi chithu chimodzi mwazithu zomwe Allah anawalangiza makolo (kuti achisamalire), ngati m'mene Allah akunenera mu buku lolemekezeka la Quru'an kuti:**"Mulungu akukulangizani zokhudza ana anu"** (sura 4 :11)

kutanthauza kuti ndithu ana anu (inu makolo) painu ndi chosungitsidwa, ndipo Allah wakulangizani za iwo kuti muwasamalire chipembedzo chawo ndi dziko lawo, ndipo mudziwaphunzitsa ndi kuwalangiza ndi kuwaletsa zoipa ndi kuwalamulira kuti azimumvera Allah ndi kusamala malamulo ake nthawi zonse, ngati m'mene akunenera Allah mu quruan yolemekezeka kunena kuti "**E, inu amene mwakhulupilira! dzitchinjirizeni nokha ndi mawanja anu ku moto...**" (sura 28:6).

Allah anawalangiza makolo za ana awo, zili ndi iwo kugwiritsa ntchito langizolo ndi kukapeza Jannah kapena kuliononga ndi kupeza chilango, zimenezi zikusonyeza kuti Allah ndi wachisoni kwambiri kuposa makolo awiri; moti anawalangiza makolo awiri zoyang'anira ana awo mwa ubwino kumachita kuti makolo amakhala achisoni nkale kwa ana awo <sup>(1)</sup>.

Choncho, kuphunzitsa mwana m'banja kukakhala kuti kwachitika mwa ubwino, mwana ameneyo amadzakhala wa chitsanzo cha pamwamba. Ndipo kusowekera kulikonse kwa maphunziro ndi maleledwe a chikhulupiro cholongosoka mwa mwana m'banjamo, kudzatulutsa mwana wosowa khalidwe labwino <sup>(2)</sup>.

Sikuti maphunziro ndiye kungokonza zolakwika zokha ayi, koma kuhunzitsa ndi kuperaka maziko a chipembezo ndi malamulo a chisilam ndi kugwiritsa ntchito njira zosiyana siyana monga kukhazikitsa zithuzi thuzi (za zomwe ukumuphunzitsa) ndi kuzipangitsa zimenezo kuti zikhazikike mmitima mwawo – monga kuhunzitsa kudzera mukuonera kwa ena, ulaliki, nkhani, zochitika,ndi zina zotero <sup>(3)</sup>; ncholinga choti titulutse munthu wolongosoka komanso waphindu pa umoyo komanso pa mudzi ( pa malo).

---

Bukuli lagawidwa m'magawo awiri : **gawo loyamba** (zokhudza maphunziro a chikhulupiliro ), m'menemo muli maziko ambiri omwe angathandize makolo kuperhunzitsa ana awo – mu chifuniro cha Allah -, pomwe gawo la chiwiri likuzungulira pa (zitsanzo zochitika pakayankhidwe ka mafunso a ana okhudza chikhulupiliro) m'menemo tiyankhamo mafunso amene ali otchuka kwambiri pakati pa ana amisinkhu yosiyan siyana, makamaka omwe akukhudzana ndi msichi zachikhulupiliro zisanu ndi imodzi (6) ndipo tafotokozamo momveka bwino m'mene tingayankhire mafunso ngati amenewa.

Ndithu Allah ndi mwini kuthekera, komanso muwongoli ku njira ya chiongoko.

## Ndithu

Ndithu maphunziro ndi chimozi mwazinthu zofunikira kwambiri pokhonza munthu, ndipo ndi chipangizo chokonzera mwana ndi kumpatsira maziko ambali zonse za umoyo wake, kudzera mmaphunziro tingathe kunkonza umunthu wa mwana pa kakhalidwe kake ndi anthu a mudzi wake, pa maphunziro ake, pa nzeru zake, pa umoyo wake ndi zina zotero, ndiye tisanakambe za maphunziro achikhulupiliro ndi kufotokoza za kufunika kwake, ndi bwino titadziwa tanthaunzo la maphunziro, kuti amatanthauza chiyani komanso kuti anthu a za maphunziro amafuna chiyani paliwuli?!

## TANTHAUZO LA MAPHUNZIRO

Maphunziro ndi ntchito yokhala ndi cholinga komanso yonkera nkera mt-sogolo (yopitirira) imene imayendetsedwa ndi malamulo, ndi cholinga chofuna kukonza zikhaliidwe za bwinno kudzera mukulangiza, kuongolera, kuhunzitsa, kukonza ndi kuyetsetsa kupanga zomwe waphunzirazo. Maphunziro amagwira ntchito ya kusamalira ndikuyang'anira chibadwa cha mwana, ndi kuititsa pa tsogolo ma-

luso ndi zikonzekero za mwanayo, ndi kupangitsa kuti chibadwa chakechi ndi maluso ake aja zikhale zabwino ndi zolongosoka komanso zokwanira ndizoyenera, zomwe zimathandiza kukonza munthu wabwino yemwe angayang'anire dziko la pansi, ndipo maphunziro ndi chida chimene chimapanga utsogoleri mbali zonse za moyo<sup>(4)</sup>.

## KUFUNIKA KWA MAPHUNZIRO A zaCHIKHULUPILIRO

Ndithu chikhulupiliro ndiye cholina chachikulu chakupezeza chilengedwe ndi munthu, ndipo pa chikhulupiliro ndi pamene pasiyanirana njira paulendo wathu wa dziko la pansi, Allah akulankhula mu Quru'an yolemekezeza kunena kuti "**choncho mwaiwo alipo amene adakhulupilira ndipo ena mwaiwo sadakhlupilire**". (Surat Al Baqarah: 253).

Pachikhulupiliro ndi pamene pagona zichito chito za anthu komanso ndichimene chimasianitsa kumalo okafikira mu umoyo womwe uli nkudza<sup>(5)</sup>, nthawi ya umwana ndi nthawi imene mwana amatha kusianitsa zinthu, chifukwa zimene zimadzalidwa mu nzeru za mwana pa msinkhu umenewu monga: zikhulupiliro, zokonda, zikhaliidwe ndi malangizo, zimakhala zovuta kusintha nanji nanji kuchotsera, mwinanso chipsera chake chimatsaliranso pa munthuyo moyo wakewonse<sup>(6)</sup>, pachifukwa chimenechi maphunziro azachikhulupiliro amene amatengedwa iye ali mwana wa mng'ono ndiwo maziko omwe amamanga moyo wa munthu padzikzo pano.

---

Ndithu maphunziro kunena mosakuluwika ndikuyikira mtima, popanda kuyikira mtima palibe maphunziro, choyenera kuyikira mtima kwambiri pa maphunziro ndiye kudzala chikhulupiliro, ife tili munyengo yomwe chidwi cha anthu ofufuza za maphunziro chakhamukira kumaphunziro kumbali ya nzeru ndi thupi, ndipo anthu ambiri sakulabadira zamaphunziro ambali ya chikhulupiliro, kafuku-fuku wawo amalunjika ku zakupambana pa dziko lapansi poona zinthu zooneka ndi maso, popanda kuyikira mtima ndi kukonza zinthu zoti zikamuthandize komanso akasangalare ku umoyo umene uli mkudza, zimene zimapangitsa kuti kuona kwathu pa maphunziro kukhale kosiyanwa kwambiri ndi iwovo kumabali imeneyi<sup>(7)</sup>.

Zachidziwikireni kuti maphunziro achikhulupiliro pa chisilamu ndi imodzi mwa nsanamira imene inamanga maphunziro munyengo ya mtumiki yoyerwa, monga mmene tikumvera nkhani kuchokera kwa mwana wa Umaru (r.a) iye adati ndinamumva mtumiki (saw) akunena kuti: “ **wina aliyense mwa inu ndi tuyang’ayani-ri, ndipo aliyense wainu ali ndi udindo pa chimene akuyang’aniracho, mtsogoleri ndi tuyang’ayiri ndipo ali ndi udindo pa zimene akuyang’anirazo, nayeso mzimayi ndi tuyang’ayiri wa nyumba ya mwamuna wake ndipo ali ndi udindo pa zimene akuyang’anirazo”**<sup>(8)</sup>.

Apa mtumiki akufotokoza zakukula kwa udindo womwe aliyense mwa ife wasenza, ndipo udindo umenewu - palibe kuchitira mwina – ndi wokhudzana kuti wapanga chani kwa anthu amene ali pansi pako? Palinso mau ena amene mtumiki (saw) ananena kuti: **“Kapolo wina aliyense yemwe mulungu wampatsa owayang’nira ndiye sanawasamalire moyenera, sakalinunkha fungo la ku Jannah”** (Bukhar -7150),

Apa zikuonetsa kufunikira kopereka malangizo mwachilungamo ndi mokhulupilika koteri pafunika langizo lizikhala losayang’ana mbali ndi lokomera olangizidwayo kumbali zonse, mwankhani zina zimene zinabwera pa mutuwu ndi mau amwana wa umaru (r.a) onena kuti: “Umu-phunxitse chikhalidwe mwana wako chifukwa ndi udindo wako pa iyeyo kuti unamuphunzitsa khalidwe lanji? Komanso wamuphunzitsa chiyani? Nayenso ali ndi udindo wokuchitirani inuyo ubwino ndi kukumverani mala-mulo anu”<sup>(9)</sup>.

Apa mwana wa Umaru akutsindika kuti udindo umenewu poyamba umakhala pa makolo, chifukwa iwowo ndigwero limene ana amapezera maphunziro ndi chikhalidwe, ndipo mu hadith ina ananena kuti maphunziro ndi abwino kuposa kupereka chaulele, chifukwa zanenedwa kuti **“munthuku-phunzitsa mwana wako chikhalidwe ndi kwabwino kuposa kupereka cha ulere cholemera ma kilogalamu awiri ndi theka(2.5kg) azakudya”**<sup>(10)</sup>.

Komanso pali hadith ina yomwe imati: **“kuphunzitsa mwana chikhalidwe chabwino ndi kwa bwino kuposa kupereka china chilichonse mwa ulere”**, inaso ikuti: **“kholo silingath-andize mwana wake ndi chinthu cha pamwamba kwambiri choposa kumu-phunzitsa chikhalidwe chabwino”**<sup>(11)</sup>.

Maumboni onsewa ndi ena otero akusonyeza kuti kuikira mtima pa kuhphunzira ndi kuphunzitsa ndi chimodzi mwazinthu zikulu zikulu zofunikira zomwe makolo angapereke Kwa ana awo.

Ndiye kale ana timawalera munjira yotsekeka mbali ina, koma lero tiku-mawalera kumachita kuti makomo ndi mazenera anyumba zathu ali otsekukira kudzikko lapansi kuchokera ku mapeto adziko mpaka kumapeto, zimenezi mwa-chikhaliire zimakhala ndi ubwino ndi kuyipa, moti tikapanda kuchenjera ndikuz-imvetsa bwino zimene zikuyendazo, ndiye kuti zoipazo zitha kuononga zabwi-nozo, tingathe kumvetsa zizindikiro za kusintha kwa makono ngati tikhala ndi chidwi pa kusinthasinthia kwachangu komwe kukuchitika panopa ndi kuku-werenga bwino (kusinthako) pogwiritsa ntchito maphunziro, zimenezi zimapangit-sa iye uja kuti adzadzitse matanthaunzo achikhulupiliro m'mitima ya ana kudzera mu umoyo wapa banja womwe banja lonse limafuna, komanso kudzera muku-wasakira ana masewero ndi masukulu omwe amayikira chidwi pa zimenezi, kusazimvetsa zomwe zikuyenda zimapangitsa kuti uluze kuluza kwake kokanika nako kubwezeretsa<sup>(12)</sup>.

Koma kudzera mmaphunziro opitilira, ndi (kudzera mu) kupilira kosalekeza; ti-tha kupeza zotsatira zapamwamba zambiri - muchifuniro cha Allah-. Pamaphun-ziro sizimakwanira kulangiza ndi kusiyira pompo ayi, koma zimafunika kutsatira ndi kulangiza mosalekeza<sup>(13)</sup>.

# MAPHUNZIRO A ZACHIKHULUPILIRO

## ngoFUNIKA zedi

Anthu am'bado uno amafuna kutchuka iwo eni ndi kutchukitsa chikhaliwe chawo (culture) ndi kukhala ndi chili chonse, koma zomusokoneza zomwe zamuzungulira mbali zake zonse ndi zoopsa kwambiri komanso ndizoyenera kuzilingalira, ndipo ife timagwira ntchito yovuta kwambiri pa anthu, ntchito yake ndiya maphunziro<sup>(14)</sup>.

Zina mwa zimene zikusonyeza kufunikira kwa maphunziro achikhulupiliro kwa ana ndi kusowekera kwa maphunziro amenewa kwa anthu: ndi kuti kuonetsa chidwi pophunzitsa anthu maphunziro achikhulupiliro ndi kuwayitanira kuchimenecho makamaka ana ndiwo mchitidwe wa atumiki \_ madalitso ndi mtendere zikhale pa iwo- ndi anthu olungama omwe anabwera pambuyo pa iwo, zina mwaizo ndi mawu amene akulankhula Allah zokhudza Nowa (Nuhu) (madalitso ndi mtendere zikhale pa iye) m'mene amaitanira mwana wake ndi kumuchenjeza zoyenda ndi anthu osochera Allah akunena kuti Nowa adati kwa mwana wake: "**Mwana wanga! Nayeso mtumiki Muhammad (saw) analangiza mwana wa Abbas (r.a) kune na kuti "**oh! mwana iwe, ndikufuna ndikuphunzitse mau awa: Samala malamulo amulungu ndipo iye adzakusamala, umusunge Mulungu ndipo iye udzamupeza patsogolo pako, ukafuna kupempha uzipempha Mulungu, ukafuna thandizo uzimupempha Mulungu**" (Tirmizi -2516). Mulangizo limeneli muli kuonetsa chidwi pamaphunziro azachikhulupiliro.

Mwazinanso zimene zikusonyeza kufunikira kwa maphunziro ndi: podziwa kuti kuphunzitsa chikhulupiliro ndiye phata la maphunziro onse,

---

ndiye mwana akaphunzira maphunziro achikhulupiliro nadzalidwa mu mtima mwakemo mogwirizana ndi ndondomeko ya atumiki, ndiye kuti mapemphero ena onse ndi nthambi zina za chipembedzo zimatsatira pambuyo pake, ndipo kuikira chidwi ndichifukwa chimodzi chopezera chióngoko – muchifuniro cha Mulungu -, chifukwa malamulo ambiri amangidwa (amayenda) ndi chikhulupiliromwa Allah ndi tsiku lomaliza, ndiye chikhulupiliro chikakhala ndi mphamvu, chimamuletsa munthu uja njira yoletsedwa.

Chinango chimene chikuonetsa kufunikira kwa maphunziro: ndikusalabadira komwe tikuona mwa makolo ena posaphunzitsa ana awo zokhudza chikhulupiliro pogwiritsa umboni wonena kuti akadali achichepere, ngakhale akamakula samathanso kuwaphunzitsa. Yemwe angazengereze zophunzitsa mwana wake zinthu zomwe zingamuthandize namutayilira ndiye kuti wapanga chinthu choipitsitsa. Ana ambiri kusokonezeka kwao kumachokera kwa makolo awo ndi kusalabadira kwavo ( makolo ) posawaphunzitsa zinthu zimene zili zokakamizika pa chipembedzo ndi zichito chito zamatumiki (Sunnah), ndipo amawaononga ali aang'ono moti anawo amakhala kuti sanapindule ndipo sangathandize makolo awo ku ukulu<sup>(15)</sup>.

Chinango ndi kuchuluka kwa mapologaramu okhudza ana mu njira ya mauthenga (monga: zoonerera, zomverera ndi zowerengedwa), zomwe zimafalitsa kwambiri zithunzithunzi ndi matanthaunzo osokoneza mmitima ya ana, ndiye pakufunikira kwambiri kuti papezeke maphunziro azachikhulupiliro omwe angalimbane ndi mauthenga amenewa, ndiye maphunziro adza chikhulupiliro amagwiritsa ntchito zipangizo zimene zili zovomerezeka mchipembedzo, ndipo zimateteza mwana mokwanira ku mavuto onse apa maphunziro asanachitlike, komanso amathandiza kuwachiza mavutowo akachitika, izi ndizofunikira kwambiri kuti makolo awachitire ana awo komanso zimabweretsa chisangalalo padziko lapansi pano, komanso ndi kukapeza chipulumutso pa umoyo umene uli nkudza - muchifuniro cha Mulungu-, ndipo icho ndi chifukwa chomwe chidzasiyanitse anthu tsiku la chiweruzo<sup>(16)</sup>.

Chomaliza maphunziro a zachikhulupiliro amabweretsa kukhazikika ndi mtedere wa mmitima ya ana; chifukwa zimabweretsa mayakho amafunso akulu akulu apa umoyo, izi zimachitika kamba kathandizo la buku lolemekezekela la (Quru'an) ndi dangalira lochokera muchiphunzitsa cha mtumiki (Sunnah) zomwe zimadziwika ngati chiyamba (source) cha maphunziro komanso ndondomeko yake ndiyomveka bwino ndinso zolinga zake ndi za umulungu ndipo zimadziwa zofuna zamwana ndi chibadwa chake mogwirizna ndi maphunziro<sup>(17)</sup>. Ndicholingga choti umunthu wa mwana ukwanire komanso ukhale wolongosoka.

## ZOLINGAZA MAPHUNZIRO Aza **CHIKHULUPIIRO**

Ndithu cholinga chachikulu chamaphunziro ndiko kukwanilitsa ukapolo weni weni pa Mulungu, choncho cholinga chimenechi chimafuna kukwanilitsa zolinga zina zing'ono zing'ono zochuluka, zina mwaizo:

**Choyamba:** kukhazikitsa chikhulupiilo cholondola pa ana a dera la chisilam; pofuna kukhonza munthu wolungama yemwe azipembedza Mulungu wa pamwamba movomereza ndi mozindikira.

**Chachiwiri:** kuti munthu akhale m'dera la chisilam ndi chikhalidwe chab-wino motsatira makhalidwe amtumiki (saw) yemwe Mulungu anamuy-ikira umboni ponena kuti "**Ndipo ndithu uli nawo (iwe Muhammad) makhalidwe abwino kwambiri**" (Surat Qalam: 4), komanso pogwiritsa ntchito mawu amtumiki onena kuti: "**Ndithu ndinatumizidwa padzikoli kudzakwanilitsa makhalidwe abwino**"<sup>(18)</sup>.

**Chachitatu:** kukhazikitsa umodzi pakati pa asilamu; chifukwa munthu uja amadzimva kuti iye ndi mmodzi mwa anthu adelaro ndiye kuti amalumiki-zana ndi azinzake pogwiritsa ntchito mau a Mulungu onena kuti: "**Ndithu, okhulupilira onse ndi pachibale choncho yanjanitsani pakati pa abale anu ndipo muopeni Mulungu kuti akuchitireni chifundo**" (Surat Al-hujurat: 10), ndi mawu ochokera kwa mtumiki onena kuti: "**wokhulupilira pa wokhulupilira nzake ali ngati nyumba yomwe chipupa china chimalimba kamba ka chipupa chinzake**" (Bukhar -6026), komanso anati: "**mupeza anthu okhulupilira pakumverana chisoni kwao, ndi pa chifundo chawo, ndikukondana kwao ndi kufewerana kwa mitima yawo, aling-gati thupi limodzi, ngati chiwalo chimodzi chitadwala thupi lake lonse limathandizira kuchezera ndi kunjenjemera**" (Bukhar -6011). Kudzera muzimenezi ubale wa chikhulupiliro umamangika pakati pa asilamu.

**Chachinayi:** kukhonza munthu wolongosoka m'maganizo ndi mumtimu momwe, zimenezi zimathandiza kukhonza munthu waphindu mudera la asilamu. Yemwe angakwanitse kugwiritsa ntchito maudindo ake pakutukula ndi kupititsa patsogolo zabwino za dzikoli, ndikugwirantchito yolemetsa ndi yofunikira ya utsogoleri yomwe Allah anamuyikira munthu (Adam) padzikoli<sup>(19)</sup>.

Kuchokera pa zimenezi; pakuonekera kufunikira koyamba kwa maphunziro achikhulupiliro – cheni cheni -, omwe amagwira ntchito popereka mphamvu za uzimu, ndikulimbitsa chiterezo cha thupi ndikuyika uzimu muzolankhula ndi zichitchito zawo ndiye kuchokera pazimenezi zimakhala zophweka kwa munthu kugwira ntchito zofunikira pofuna kukwaniritsa zolina za maphunziro akuzindikira wamba (theory) ndi a zichitchito (practical)<sup>(20)</sup>.

# Maziko A MAPHUNZIRO

Pali ngodya zomwe zimayezamilidwa pomanga maphunziro, zomwe tingathe kuzisonkhanitsa mungodya ziwiri zikulu zikulu, yoyamba: ngodya yakuzindikira wamba (theory), ndipo yachiwiri ndi ngodya ya ntchito (practical).

Ngodya ya kuzindikira imeneyi itha kugawidwanso pawiri:

1- Maphunziro      2- Chikhulupiliro

**Gawoloyamba:** Maphunziro: gavo ili limatengedwa ngati kiyi wamkulu kwambri yomvetsetsera zinthu komanso ndikumangira ndi kutetezera chikhali-dwe, ndipo Allah akunena kuti "**Nena (kwa iwo iwe mtumiki)** "kodi amene akudziwa ndi amene sakudziwa ngofanana"? (Surat Azumar: 9).

Ndithu mtumiki (saw) anayetsetsa kuphunzitsa ophunzira ake maphunziro aphindu, komanso anawaphunzitsa kuti azimupempha Allah kuti awateteze kuchokera kumaphunziro opanda phindu, moti anati muduwa (pempho) yomwe amawaphunzitsa maswahabawo: "**O! Allah ine ndikuzitchinjiriza ndi kupempha chitetezo mwainu kuchokera kumaphunziro opanda phindu ndi mtima wosaopa Allah.** (Muslim – 2722).

**Gawolachiwiri:** Chikhulupiliro: ichi ndi chomwe chimakhazikika m'mitima ya ana monga kukhulupilira nsanamira zisanu ndi imodzi za chikhulupiliro, limenelo ndi tanthaunzo losonkhanitsa zomwe zili mu umoyo uno ndi umoyo womwe uli nkudza. Ndipo mtumiki (saw) anaonetsa chidwi pofuna kudzala chikhulupiliro cholongosoka m'mitima ya ummah (anthu) wake.

Pomwe ngodya ya ntchito (practical) itha kugawikana patatu

1- Kupembedza.      2- Kukwanilitsa (ntchito).      3- Chikhaliidwe.

**Gawo loyamba:** kupembedza<sup>(21)</sup>, maphunziro aphindu amafunika azimukhonza munthu pachikhulupilro chabwino komanso azimupatsa mbiri zapamwamba, zomwe zingamange umunthu wa ana ndicholinga choti akhale woyeramtima ndi wolumikizana kwambiri ndi Mulungu wake, nakhala wachikhaliidwe ndi maganizo olungama, ndikukhala zolิงalira zake zolongosoka, pachifukwa chimenechi mtumiki (saw) anamuza Muadhi bun Jabal kuti ndikulumbiramwa Allah kuti ine ndimakukonda, ndiye usamasiye pambuyo pa swala ili yonse kunena mau oti “O, Allah ndithandizeni ine kuti ndizikukumbukirani pafupipafupi ndikukuyamikani ndikukupembedzanimoyenerera”(Abu Daudu – 1522).

Apa mtumiki anamuphunzitsa iye kuti kupembedza ndi mphatso ya pamwamba yochokera kwa Mulungu, osati chifukwa cha kulimbikira kwa munthu kokha ayi, koma chifukwa cha kuthekera kwa Allah (taufiq), komanso anamuphunzitsa kuti mapemphero amafuna nthawi zonse chithandizo chochokera kwa Mulungu, ndiye zikhazikike mu mtima mwakemo kuti munthu wokhulupilira akukakamizidwa kuti akamamupembedza mbuye wake azimupempha thandizo ndikumuyezamira iye, chifukwa iye Mulungu ndi amene amapereka kuthekera komumvera malamulo ake.

Hadith imeneyi ikulozera zithu zingapo izi:

1. Chikhulupiliro ndi chibadwa cha munthu wina aliyense, yemwe an-gasiye chikhulupilirochi ndiye kuti wakhota kamba kosokonezedwa ndi munthu wina.
2. Yafotokozango hadithyi udindo wa ukulu wamakolo pophunzitsa ana awo.
3. Ikusonyezango za zotsatira za chilengedwe kapena nyengo pa maphunziro<sup>(25)</sup>.

Ena mwa ma ubwino a Allah pa munthu ndi oti anatsegula mtima wa mwana aliyense kumayambiliro kuti apeze chikhulupiliro mopanda kufuna umboni<sup>(26)</sup>, pa chifukwa chimenechi, makolo akukakamizidwa kuti ateteze udindo wawo ume-newu mwaubwino kwambiri ndi kuyeretsa chibadwa cha ana chimenechi, ndikuti awalere anawo pachipembedzo choona chomwe chamangidwa ndi maumboni ochokera mu quruan ndi chiphunzitso cha mtumiki (swa)(sunnah), ndipo makolo asadalire nyengo yokha kuti iphunzitse ana awo yomwe imatenga matanthauzo ake kuchokera mu zomwe zili mbali mwake, chisilam chongoyendera kutsatira sicingamulepheretse munthu kusochera - pa nthawi ino imene dziko lapansi latseguka ndikufewetsedwa komanso kufupiksidiwa kwa dzikoli - komanso sicingathetse kusungunuka kwa umunthu.

Ndithu mtima wa mwana ndiwabwino bwino ulingati mwala wa mtengo wapatali womwe siunalembewepo kapena kujambulidwa kalikonse, umalora kulembapo china chili chonse akaphunzitsidwa ndi kuzoloweretsedwa ndipo amakulira muchimenecho ndipo amasangalala padziko lapansi komanso akasangalala ku umoyo wosatha, ndipo makolo ndi aphunzitsi ake amapeza nawo malipro, ndipo akazoloweretsedwa zoipa nalekeleredwa ngati zinyama amakhala watsoka ndi woonongeka ndipo machimo ake amapeza nawo yemwe amamuyang'anira iye ndi kumutsogolera<sup>(27)</sup>, chifukwa kungomulera kwa pamwamba ndikumene kumachitika ali wamg'ono akangosiyidwa kuti aziyenda pa chibadwa pake naphunzitsidwa zimenezo, zotsatira zake zimakhala zovuta (kumubweza)<sup>(28)</sup>.

Mwana amene amakulira mu banja lomwe chikhulupiliro chake chili cholimba ndi logwiritsa ntchito maphunziro achipembedzo, ana amatsatira makolo awo pa china chili chonse, komanso amakonza matanthaunzo ake kudzera pamene akuonera kwa makolo ake, tikupeza kuti pali anthu omwe amaperekira matanthauzo a chipembedzo molakwika, zomwe zimabweretsa zotsatira zosiyana pa ana, pomwe ana akamakula napeza makolo awo kuti samagwiritsa ntchito maphunziro achipembedzo; ndithu ndithu zimakhala zovuta kuti iye akopeke kuchipembedzoku chifukwa iye kuumwana wake sadaone chizindikiro cha chipembedzo, chifukwa amakhala alibe kulondoleledwa kuli konse kwa chipembedzo<sup>(29)</sup>.

# KUKULA MWACHIPEMBEDZO KWA ANA

Ndithu chipembezo pa mwana chimayamba ndi ganizo limodzi - ganizo lake la kupezeka kwa Allah-, kenako amayamba kuonekera m'maganizo ena- monga ganizo la kulenga kapena lokudza umoyo umene uli nkudza, kapena Angelo, kapena ziwanda (asatana)-, zizindikiro zakukula mwa chipembedzo mwa mwana zimaonekera mu zinthu zinayi izi:

- A** Practical (ntchito): mwana amawapatsa matanthauzo achipembezochithuzithuza chokhuzika, akamakula amaonjezera kuwalitsa chimenechi, komanso amachidziwitsitsa choona cheni cheni, ndipo amachiyika m'malo ake akakula.
- B** Kupereka chithunzithunzi: mwana amatsatira makhalidwe a akulu akulu m'mene akuchitira pamapemphero (ibadah) awo ndi mapepho awo (dua) popanda kufufuzamatanthauzo ake kapena kufunikira kwake pa uzimu, ndiye ndizofunikira kuti mphunzitsi apindule kuchokera mukukhota kwa ana pa msinkhu umenewu m'mene angadzoloweretsere anawo chikhalidwe komanso nsanamira za chikhulupiliro ndi zotsatira pa zimenezo.

**C** Kufuna kukhala wofunikira (utilitarian): mwana akamaona chisangalalo cha makolo ake ndi mphunzitsi wake ndi amene amuzungulira pamene iye akupanga ena mwa mapemphero, mwanayu amatha kupanga zimenezi ndicholinga choti apeze chikondi cha anthu amenewa, komanso ngati njira yopezera mapindu ena ake, kapena pofuna kutchinga chilango chimene chimafuna chimupeze.

**D** Kukhala membala: mwana amakondera chipembedzo chake kuchokera pansi pa mtima molimbikitsidwa ndi zofuna za chibadwa chake chimene chinadzalidwa mu mtima wake, pa chifukwa chimenechi iye amasangalat-sidwa kuti azitchedwa msilamu wochokera mwa asilamu, ndipo chizindikiro chapamwamba choti ndiwe msilamu ndiko kuchikonda chithu chifukwa cha Allah<sup>(30)</sup>.

Kuchokera pa zimene zadutsazi tikupeza kufunikira kokhazikika pa maphunziro a zachikhulupiliro, komanso kufunikira kwa makolo ndi aphunzitsi kuti alimbikire kwambiri kuwayandikitsira ana chikhulupiliro - maka maka nyengo ino imene yachuluka mayesero, zosokoneza ndi zosewera sewera (zibwana) ndi njira zake za zimenezo-, zina mwa zofunikira kwambiri makolo kuti awapangire ana awo ndi izi:

**Choyamba:** kumupangitsa mwanayo kuti achimvetse chibadwa chake (choti Allah ndi mmodzi) mu mtima mwa mwanayo, zomwe zingachitike kudzera pomuphunzitsa kalima tauhid (laa ilaaha illallah).

Kupezeka kwachibadwa chachipembedzo mu mtima mwa mwanayo zi-mathandiza makolo pa ntchito yawo yophunzitsa mwanayo, chibadwa chimenechi chimasonryeza kuti mwa iye muli kambeu kachipembedzo, ndiyе kambeu kameneka monga mbeu zina, sikamatola kusinthidwa koma kamangolola kukao-ngolera ndi kukapititsa patsogolo. Ndipo chibadwa chimenechi chitha kugwirit-sidwa ntchito mu njira zosiyanasiyana posakhala njira yomwe chinalengedwera, pomwe chisilamu chimayitanira kuti chibadwa chimenechi chiongoleledwe kun-jira yomwe chinalengedwera<sup>(32)</sup>.

Mwazithu zofunikira kwambiri kuti mwana akule nazo; ndi nsanamira zachikhulupiliro zokwana zisanu ndi imodzi, ndipo chofunikira kwambiri mu nsanamira zimenezi ndi kukhulupilira mwa Allah; ndipo kumukonda Allah ndicho chotsatira chakupezeka kwa nsichi za chikhulupiliro zinazo, ndipo Allah anakupanga kumukonda iye kukhala chithu chimene chimamanga kwambiri chikhulupiliro pa iye komanso ndichimene chimasonryeza kugonjera kwa munthu mwa iye ( Al-

Ndipo anayipanga mbiri yoyambirira ya akapolo omwe iye (Allah) amawakonda yoti iwo amamukondanso Allah; Allah akulankhula mu buku lake lolemekezeka kunena kuti “**Eh, inu amene mwakhulupilira! Amene mwa inu angasiye chipembedzo chake, ndiye kuti posachedwa Mulungu adzabweretsa anthuena omwe iye awakonda, nawonso amukonda; odzichepetsa kwa asilamu anzawo; amphamu kwaosakhulupilira; omenyera nkondo chipembedzo cha Mulungu, saopa kudzudzula kwa odzudzula,umenewu ndi ubwino wa Mulungu; amau-pereka Kwa amenewawafuna, ndipo Mulungu ndiye mataya; ngodziwa kwambiri**” (Surat Al Maidah: 54).

Anafotokozanso kuti tauhid yabwino ndi yokhayo imene imapatula Allah pom-patsa chikondi chosagawika Allah akunena kuti “**Pali ena mwa anthu amene akudzipangira milungu namaifananiza ndi Mulungu, amaikonda monga momwe amamkondera Mulungu, Koma Asilamu amene akhulupilira amakonda Mulungu koposa**”.(Surat Al baqarah: 165).

Kupanga ibada (mapemphero) imene Mulungu anatilengera kumeneko ndiko kumukonda Allah kwa pamwamba, ndipo phata la tauhid ndiko kuyeretsa chikondi chako kwa Mulungu yekha,limenelo ndiye phata lopembedza, imeneyo ndiye ibada yeni yeni, siyingakwanire tauhid mwa kapolo mpaka chitakwanila chikondi chake pa Allah komanso chipose zokondeka zathu zonse, moti zonse zimene kapolo amazikonda zizitsatira chikondi chimenechi, chomwe chidzapereke chipambano kwa iye<sup>(33)</sup>.

Ndiye chikondi chimenechi chomwe chamangidwandi chikhulupiliro ndiyo njira yaikulu yokonzera khalidwe la ana ndikuwakhazikitsa pachipembedzo cha chisilamu ndikumvera Allah ndi mtumiki wake, yemwe mu mtima mwake mwadzalidwa ndi chikondi cha Allah ndi mtumiki wake amakhala woongoka pa chikhaldwe ndi mapemphero ake, ngakhale atakhota pa nkhanzi zina ndi maganizo ena, ngakhaleso aziwala; chikondi chimene chili mwaiye chidzam’bwezeretsa munjira yoonngoka - muchifuniro cha Mulungu -(<sup>34</sup>)chifukwa chakuti chikondi chimakhala ndi mphamu za mkatzi osati zakunja zokha ayi.

## KODI NCHIFUKWA CHIYANI TIMAKHULUPIRIRA KUTI ALLAH ALIPO? NANGA TINGATSIMIKIZE BWANJI ZIMENEZI?

Kukhulupirira mwa Allah ndi chibadwa cha munthu wina aliyense chimene palibe yemwe angachitsutse ndipo ma umboni oti Allah alipo ndi ochuluka zedi, ndipo anthu adakatulukirabe ma umboni pamwamba pa maumboni ena, wina aliyense mwa anthuwo molingana ndi mbali yake ya maphunziro imene akufufuza, ndipo umboni wa chibawa cha munthu umatsimikizira kuti Allah alipo, Allah akunena kuti: "**Dzikakamize wekha kuchilengedwe chimene (Allah) adalengera anthu,( ichi ndi chipembedzo cha chisilamu chomwe nchoyenerana ndi chilengedwe cha Munthu)**". (Surat Al Rum: 30) tonsefe timamva mum-tima mwathu kuti muli mphamvu ina yake yomwe imauuza mtimawo za ukulu, mphamvu ndi chisamaliro cha Allah pa ife, pomwe maumboni okhudzika ochokeria mmaphunziro akutsimikiziranso kuti pa dziko pano pali dongosolo la kuya ndi la mtengo wapatali, ndipo dongosolo limeneli pali amene analiika; chifukwa zolengedwa zonsezi ndi ndani anazipezeketsa?

Kutheka kuti zinangopezeka mwangozi popanda wozipezeketsa, ngati zili choncho nde kuti palibe angadziwe mmene zinapezekera zinthu zimenezi, chimene-cho ndi chiyembekezo choyamba. Pomwe chiyembekezo chachiwiri ndi choti: zinthu zimenezi zinadzipezeketsa zokha ndipo zimadziyang'anira zokha, ndipo chiyembekezo chachitatu ndi chakuti: pali amene anazipezeketsa ndi kuzilenga.

Ndiye tikayang'ana ziyembekezo zitatuzonsezo, tipeza kuti chiyembekezo choyamba ndi chachiwiricho nzosatheka, zikatero nde kuti choyambacho ndi chimene chingakhale choona komanso chomveka, zoti pali mlengi yemwe adazilenga(Allah), ndipo izi ndi zomwe Allah adazinena mu Qur'ani ponena kuti: "**Kapena adalengedwa popanda Mlengi kapena iwo adadzilenga okha, kodi iwo ndi amene adalenga thambo ndi nthaka? Koma iwo sakhalupilira kweni kweni**". (Surat Al Tur: 35 -36).

Ndipo ena mwa maumboni osonyeza kuti Allah alipo ndi izi: kuyankha kwa Allah ma dua(mapempho)a anthu, ukatswiri wa kalengedwe ka mitambo ndi nthaka, Allah akunena kuti: "**Ndithudi mukalengedwe kakumwamba ndi dziko lapansi ndikusinthana kwausiku ndi usana, ndizisonyezo(zoti kuli mlengi wa zimenezi) kwa eni nzeru**". (Surat Al Imran: 190), komanso poona ukadaulo wa kalengedwe ka munthu, Allah akunena kuti: "**Ndimwainu nomwe kodi simuona?**". (Surat Adhariyat: 21). Ndi kalengedwe ka nyenyezi, mapiri, zinyama, ndi zina zotero, zonsezo zimasonryeza ukatswiri wa Mulungu pa zolenga zake.

Ndithu zizindikiro zoti Mulungu alipo zili pali ponse: pa dzikoli, m'mitima kapena mmatupi (a anthu ndi zinyama), ndizipatso zonse zikusonyeza kuti kuli Mu-

lungu m'modzi wayekha (yemwe adazi pezeketsa zonsezi) ndipo kupeze ka kwa zolengedwa zonsezi kukusonyeza kuti kuli ndi cholinga chapamwamba zedi chomwe Mulungu adazilengera ndipo zonsezo zimapembedza Mulungu (Allah) yekha yemwe alibe chophatikizana nacho<sup>(133)</sup>.

Ndizothekanso kumusimbira mwanayo nkhanzi ya Abu Hanifah (R.a) atamupempha anthu ake kuti awatsimikizire zoti kuli Tauhid ya Rububiyyah (zoti Mulungu yekha ndi amene amalenga ndi kumasamalira zomwe walengazo) Abu Hanifah anati kwa anthuwo tisanakambe nkhanzi imeneyi tandiuzeni zachombo chomwe chimadziyendetsa chokha pa mtsinje wa Dijlah (Tigris) nichikatenga chakudya ndi katundu wina pachokha nabweleraso pachokha, ndikumaimanso chokha kenako ndi kutsitsa katunduyo chokha ndikumabwelera, zonsezo chombocho chimapanga chokha popanda wochiyendetsa komanso wochiyang'anira (Tandiuzeni kuti zimatheka bwanji zimenezi?) ndipo iwo adati zimenezo sizingatheke komanso sizidzathetka mpaka kalekale, Abu Hanifah adat: ngati sizingatheke zimenezo pa Chombo; kuli bwanji dziko lonseli m'mene lakuliramu kuyambira kumwamba mpaka pansi pano!<sup>(134)</sup> Ndithu nzosatheka kuti kalengedwe kaluso kadzikolo lime-neli kakhale kopanda Mlengi wakutha kwambiri komanso wozindikira zedi.

Nzothekanso kumufunsa mwana kuti kodi ukamamva kupweteka m'mimba siuja umazindikira kuti uli ndi njala, kenako ndikumafuna chakudya wekha wekha kuti uthetse njalayo? Komanso ukamva ludzu siuja iwe umafunfa chakumwa chimenechingathetse ludzu limeneli? ndipo ukanunkhitsa fungo labwino siuja umasangalatsidwa nalo iwe? pomwe ukamva fungo loipa siuja umanyasidwa? Komanso ukamaona maluwa, mitambo ndi chilengedwe chomwe chatizungulira, kodi simumasangalatsidwa nacho ndi kukupatsa chim-wemwe?

Chimodzimodzi m'bale wanga wolemekezeza tonsefe timazindikira mwaife tokha kuti timafunikira wachikulire kwambiri kuti tizimudalira nthawi iliyonse tikafuna kuti tipeze mpumulo ndi chitetezo, chifukwanthawi imeneyi timayamba kubanika ndi kudandaula; ndithudi mwaife tokha mwachidziwikireni kuti timathawira kwa Mulungu ndikumupempha iye, ndipo tikakhala pa mtendere timamatamanda iye pa mtendere umeneu.

## Kodi Mulungu amamva, kuona kapena kulankhula ngati ife?

Ndithu Mulungu amalankhula, kumva komanso kuona, Mulungu akunena kuti: “**Ndithu Mulungu wamva mau a (mkazi) akubwezerana bwezerana nawe(mau) pazamwamuna wake**”(Surat Al mujadilah: 1). adanenaso kuti: “**Mulungu adati musaope ndithu ine ndili nanu pamodzi ndikumva ndiponso ndikuona**” (Surat twaha: 46) adatiso: “**Ndithu iye (Mulungu) akuona zonse zimene muchita**” (Surat Hudu: 112), koma singati m’mene ife timalankhulira kapena kumvera ndikuonera ayi, chifukwa Mulungu ndiwosiyana ndi zolengedwa zake, iye amamva mau ngakhale atakhala mauwo alankhulidwa mobisika chotani, amaona chili-chonse angakhale chitatalikira motani, Mulungu amaona ndi kumva chilichonse koma kuona ndi kumva kwakeko sikumafanana ndi kumva kapena kuona kwa zolengedwa zake chifukwa kuona ndikumva kwa zolengedwa ndi kofooka komanso kopunguka chifukwa Mulungu akulankhula Kunena kuti: “**Palibe chilichonse chofanana ndi iye, iye ndiwakumva zonse komanso woona zones**”. (Surat Ashura: 11).

Ndipo ndibwino kuzilumikiza zimenezi ndi khalidwe la chindunji, monga kufunsa kuti: ngati Mulungu ali wakumva ndi kuona mwamphamvu, kodi tikuyenera kukamba zomwe sizingamusangalatse ndiye atione tili pakaonekedwe komwe iye samakafuna?!<sup>(135)</sup>.

## Kodi Mulungu samva njala kapena ludzu?

Mulungu (mwini mphamvu ndi ulemelero wonse) ali ndi mbiri zokwanira zokha zokha ndipo alibe mbiri iliyonse yopunguka. Ndithu njala ndi ludzu ndi zizindikiro zakufooka ndipo sizifunikira kumpatsa Mulungu, komanso Mulungu safuna chakudya kapena chakumwa<sup>(136)</sup>; chifukwa Mulungu ndi amene analenga chili-chonse kotero safunikirano chilichonse mwazimenezo, kotero iye akanafunikira chinthu china chake sakanakhala Mulungu. Inde Mulungu ndi chikhomo samanya komanso safunikira chakudya ndi chakumwa, iye alibe nazo ntchito zimen-ezo, komanso iye ndi amene amapemphedwa ndi zolengedwa kuti azithandize, monga kuzidyetsa, kuzimwetsa ndi kuzipangira zokhumba zake.

Ndzothekanso kumuza mwanayo kuti: ndithudi Mulungu palibe chomuyerekezera ndi zolengedwa zake, ndipo sizoona kuti chilichonse chomwe ife tin-gapange ndi kuchitulukira chingakhale mbiri yathu kapena maonekedwe anthu ayi, si choncho? Mulungu samamva njala kapena ludzu, ndilorenindikufunseni funso: kodi amene amapanga njinga ndi ndani? Iye adzayankha kuti “kampani yopanga njinga”; zilibwino kwambiri, tabwera mwana wanga tilingalire limodzi kuti njinga izimufunsa yemwe anaipanga kuti: umadya chiyani? Umamwa chiyani? Ungayiyankhe chiyani? Ndingaiuze kuti zimenezo sizikukukhudza, upin-

Choncho mafunso amenewa sangatithandize kupeza ntchito ina yoonjera pantchito yomwe Mulungu anatilengera, koma mmalo mwake mafunso amenewa atisokoneza nzeru zathu kuti tisathe kugwira ntchito yomwe adatilengera. Kodi nanga njingayi idzalun-jika liti kwa ifeyo kutipempha thandizo? Ikazaonongeka china chake, ndithu iyo idzalunjika kwa okonza kuti akakonze choonongekacho, chimodzimodzi ife timalunjika kwa Mulungu pomupempha tikaona kuperewera pakupembedza kwathu, kapena likatigwera vuto lina lake.

### ② **Kodi mphamvu za Mulungu ndi zochuluka bwanji?**

Ndithu ife tikamanena zamphamvu kapena kuthekera komwe kuli koperew-era; ndiye kuti tikutanthauza mbiri yofooka, chifukwa pothera mphamvu imeneyo ndipamene padzayambire kufooka, ndipo kufooka sikumakhala pa Mulungu choncho kuthekera kwa Mulungu ndikopanda malire ndipo palibe chomwe chingamufoole iye kapena kumulepheletsa, Mulungu akunena kuti: "**Kodi siukudziwa kuti Mulungu ngokhonza chinthu chilichonse**" (surat bakara: 106) ndipo akafuna chithu amangoti "chichitike" ndipo chimachitika.

Mulungu ndi wakutha chilichonse; chifukwa iye ndi Mlengi wachili chonse, sicingamukanike chili chonse chadziko lapansi ndi kumwamba komwe.
